

**Glendenning Public School**  
**Multicultural and Grandparents Day**  
**Friday 1 November 2019**

14 October 2019

Dear Parents/Caregivers,

As part of Multicultural and Grandparents Day celebrations, we have a fun day planned for students, grandparents, parents and caregivers. Details are outlined below.

**When:** Friday 1 November 2019

**Where:** **9:00-9:30am:** Whole school assembly, including bilingual student introductions, student cultural dancing and singing.

**9:30am-10:00:** Grandparents Morning Tea in the hall for grandparents, parents and caregivers.

**10:00-10:30:** Open classroom for grandparents, parents and caregivers to visit. During this time, there will be a bookshop open in the school library for parents/grandparents to buy a book to donate to the school library. Grandparents, parents and caregivers will have the opportunity to view the GPS Multicultural Art Gallery with their child/ren in the hall, where each class will have work displayed about a country. Grandparents also have the opportunity to talk to their grandchild's class about their experiences of when they were a young child and how different it was growing up then compared to now. **Please return the RSVP** attached to your grandchild's class teacher by Friday October 25 to assist us with catering.

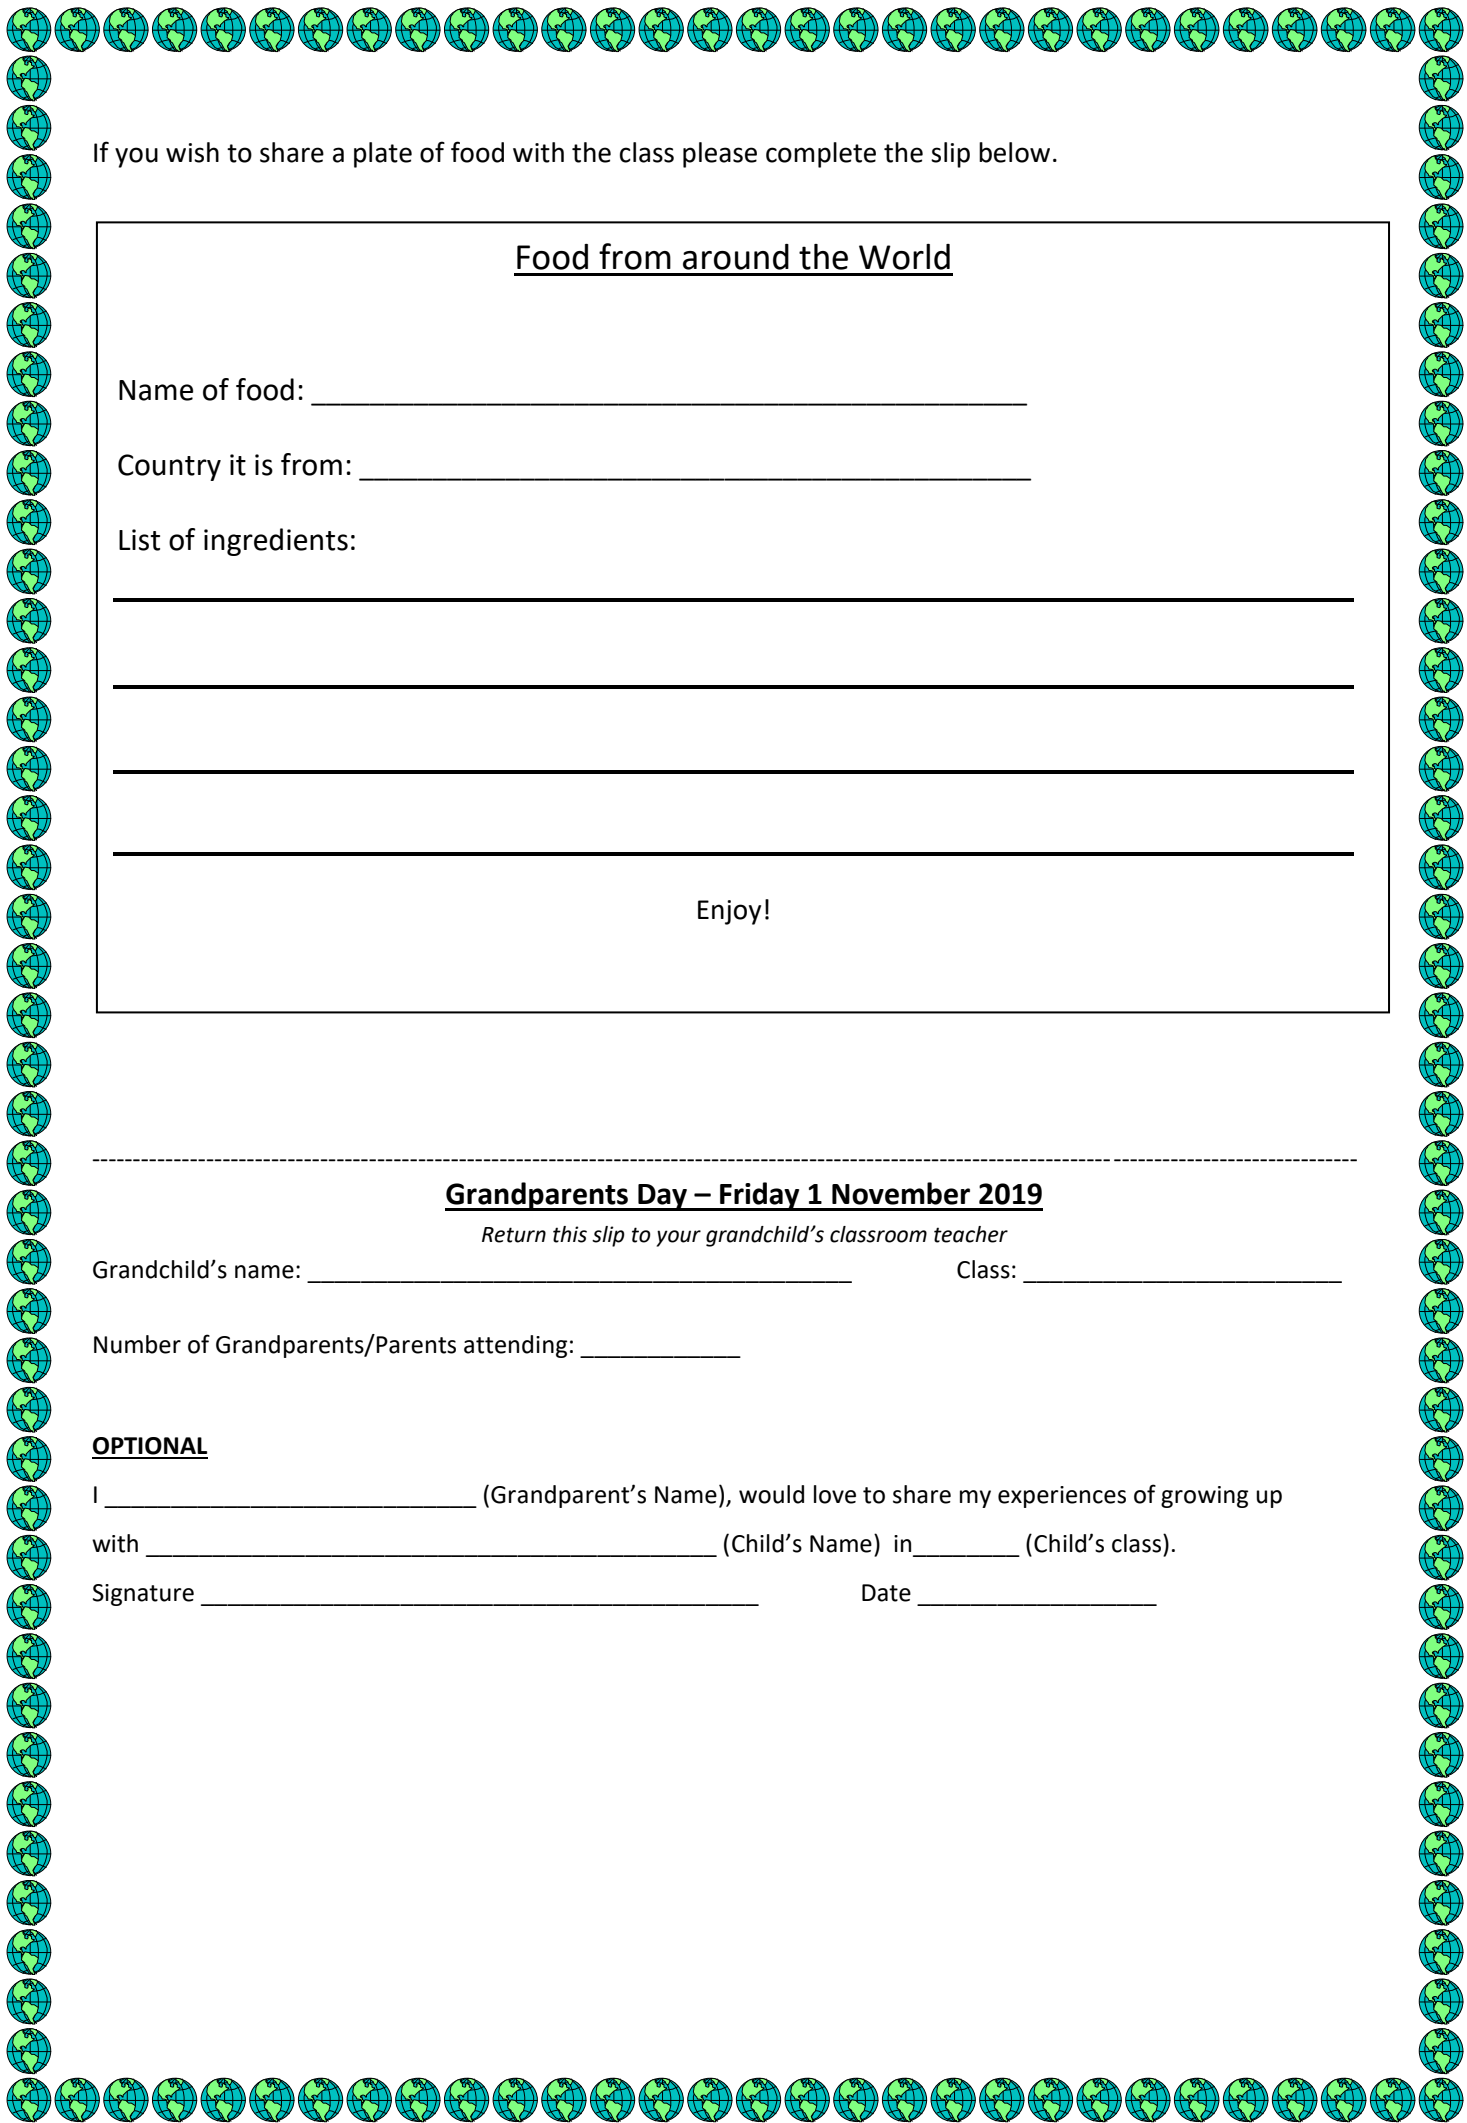

**What to bring:** At lunchtime, we will enjoy a whole-school multicultural picnic. Grandparents, parents and caregivers are invited to join and it would be appreciated if you could provide a sample plate of a sweet or savoury dish for students to share with classmates. This will be an opportunity to sample food from 'around the world'. Please be mindful that the food cannot be refrigerated or heated up. **We respectfully request no nuts due to allergies.** If your child has any other food allergies, please inform their teacher. Please complete the attached form 'Food from around the World' and give it to the classroom teacher with your plate of food.

**What to wear:** Students are encouraged to wear their national costume or clothing that is related to the focus country of the class.

The focus country for \_\_\_\_\_ is \_\_\_\_\_

Thank you for your support and cooperation.

Miss N. Simmonds  
EAL/D Teacher  
Multicultural Day Coordinator

If you wish to share a plate of food with the class please complete the slip below.
