

**ROAD SAFETY WEEK**  
**K-6**

Dear Parents/Caregivers,

Road Safety activities will occur during the week beginning Monday 2 December. Students will have an opportunity to apply their understanding of safe road-user behaviour and will be allowed to bring a bike or scooter to school to practise, with their class, skills related to safe riding.

**Important Information**

Upon arrival to school, students are to park their bike/scooter outside their classroom. Students are to walk, not ride their bike/scooter in the school gates.

Students will be visiting a 'checking station' where their bikes will be looked over to ensure that they are safe to use. All students wishing to participate on the day must have an appropriately sized bike or scooter, which is in good working order. They must also have a bicycle helmet that is correctly fitted. Skateboard helmets will not be allowed.

**As this is an activity to promote safe behaviours when riding a bike or scooter, students will not be allowed to participate if their bike or scooter, and the related safety equipment, are deemed to be unsafe.**

Please fill out and return the permission note attached to your child's classroom teacher by Wednesday 27 November, 2019.

If you have any queries, please do not hesitate to contact your child's classroom teacher, Miss Spencer or Miss D'Silva.
