KINDERGARTEN BEST START CONFERENCES 2020

Dear Parents,

As you are aware, all Kindergarten students participated in the Best Start assessment process earlier this term.

We would like to invite you and your child to a conference with the teacher to discuss:

- the results of the assessment
- your child's strengths and areas for further development
- progress made since the beginning of the year
- your aspirations for your child
- ways you can support your child
- ways the school will support your child

We would also like to seek your input into the goals that we will be setting for your child as he/she begins his/her formal schooling. You will be provided with a copy of your child's Best Start report at the conference.

Kindergarten Best Start conferences will be held on

- **Thurs Feb 27 – KF and KJ**
- **Mon Mar 2 – KB and KW**

Conferences will be held in the library.

If your conference is during school hours, please enter via the office. If your conference is after 3.00pm please proceed straight to the library. It is up to you whether or not you wish your child to be present for the conference. If necessary, please collect your child from the classroom prior to your conference.

How to book a conference: We have arranged to use an online booking system for our goal-setting conferences.

- Follow the steps on the sheet attached
- If you do not have computer access, you may use a computer in the library between 8.30 and 9.00am or between 3.00 and 3.30pm from Friday February 14 until Thursday February 20 or you may contact the school and we can arrange an interview time for you (if you phone the school, a member of the admin staff, Mr Meaney, Miss Rox or your child's teacher can book a time for you)
- **Bookings open at 8.30am on Friday February 14 and close at 3.30pm on Thursday February 20, 2020**
- An email notification will be sent when you make a booking

We look forward to seeing you at the Kindergarten Best Start Conferences.

If you have any queries or if this date is not convenient, please do not hesitate to contact the school on 9832 8555.

Yours sincerely,
