

## Clean Up Australia

Dear K-6 parents and carers,

In Term 1, Glendenning Public School will be hosting our very own Clean Up Australia days.

To promote the responsibility that we all have to protect our fragile environment, students will each be allocated a day and an area of the school to pick up rubbish, as a small contribution to the national event. This unique opportunity allows our students and teachers to work together to make a difference to our school. The event will not only ensure our school is clean and tidy, but also provide exciting and real-life opportunities for learning in literacy and mathematics lessons.

**Date:**           **Friday 6 March** - 1J, 2H, 3L, 4J, 5/6H
