

Drama Performance

Dear Parents/Caregivers,

This year, students at Glendenning PS will be given the opportunity to share with you, via their Google Classroom, a sample of the work they have been completing during drama lessons.

Students will be asked to perform drama as part of a group, and this performance will be filmed, and shared to the Google Classroom site for the class. This performance will also be used as part of their informal assessment for Creative and Performing Arts.

Parents and caregivers will be given a link to view **their child's** performance, via Google Classroom. They will not be able to view the performances of other groups.

Parents are reminded that if they choose to publish photos and recordings of their own children participating in school events, **images and videos of other children should not be displayed.**

We ask that you complete the form below and return to your child's teacher, so they can be involved, and so that they can share their learning with you.

Should you have any enquiries, please speak with your child's class teacher.

Kind Regards,

Mr D. Meaney
Principal
