LEARNING RESOURCE PACKS – *Kinder to Year 6 – 2020*

Cost \$50 per Student

Each year the school organises a supply of resources for all students K – 6.

Please note, we ask all parents to contribute \$50 for the Resource Pack. Once these items are paid for, parents are NOT expected to buy any items for use at school during the year as these are continually replaced.

Standardisations of these school supplies ensure all students receive the same resources for use in their classrooms.

The supplies include: 2 assessment display folders (issued with reports), all books, book covers, paper, coloured pencils, lead pencils, glue sticks, sharpener, post-it note pads, highlighters, whiteboard markers, scissors, headphones, art and craft materials and all associated photocopied work for individual classes.

A home reader bag (Kindergarten only), pens (Years 4-6), eraser (Years 3-6), rulers (Years 3-6), pencil case (Years 3-6).

THESE LEARNING RESOURCES GO DIRECTLY TO THE CLASSROOM

Please complete order slip and return to the office by Friday 21 February 2020
