

Sydney Zoo

Monday 23 March 2020

CLASSES: 1J, 1E, 1M, 1D, 1/2C, 2H, 2N AND 2L

Dear Parents/Caregivers,

As part of the school's Science, Geography and History programs, students are invited to attend an exciting excursion to the brand-new Sydney Zoo.

This year's teachers will run self-directed tours and students will attend a guided workshop on 'Features of Living Things', run by staff from the zoo. The guided workshop will allow students to explore different animal features and needs of living things, and how they change as they grow. Students will get up close to ambassador animals and compare them to other animals in the zoo.

At this time of year, we understand that you may see this excursion as expensive. Please note, however, that this excursion will give students 'hands-on' experiences with many of the topics covered throughout the year. A reminder to all parents, that if you are experiencing financial difficulties, time payment plans can be arranged. Most importantly, no child should miss out because a lack of money at home.
