Sydney Zoo

Tuesday 17 March 2020

CLASSES: 3R, 3M, 3L, 3/4C, 3/4F, 4B, 4J, Year 4 from 4/5/6L

Dear Parents/Caregivers,

As part of the school's Science, Geography and History programs, students are invited to attend an exciting excursion to the brand-new Sydney Zoo.

This year's teachers will run self-directed tours and students will attend a guided workshop on 'Australia's Neighbours – Tiger Survival', run by staff from the zoo. The guided workshop will be an engaging, authentic and tactile outdoor adventure, exploring different animal characteristics, habitats and management of environments both in Australia and Indonesia. Look into the world of Tigers and find out what we can do to ensure their survival in the wild.

At this time of year, we understand that you may see this excursion as expensive. Please note, however, that this excursion will give students 'hands-on' experiences with many of the topics covered throughout the year. A reminder to all parents, that if you are experiencing financial difficulties, time payment plans can be arranged. Most importantly, no child should miss out because a lack of money at home.
