K-6 Visual Arts Day 2020

Dear K-6 Parents,

As part of your child's learning experiences in creative arts, we have organised a K-6 Visual Arts Day.

Date: Thursday 13 February 2020
Time: All day
Venue: Glendenning Public School
Cost: \$0

Special Requirements:

We would like to request that you send your child to school in old clothes on this day in case they get glue or paint on themselves. Alternatively, you could send a painting smock or old top to wear over their school uniform.

General information:

Students will be participating in a number of activities during the course of the day. These activities will include a range of visual arts techniques, such as painting, collage, drawing, etc.

If you have any further queries, please contact Miss Herbert.

Thank you for your assistance and cooperation.

Yours sincerely,

Doug Meaney
Principal
