## Principal's Message

Last week, the department formally acknowledged an elite group of teachers and education staff for their 50 year-plus service milestones.

The inaugural Service Recognition Dinner on Thursday 16 November recognised 59 staff members who each have 50 or more years of service. One of these was our very own Mr Meaney! What an amazing achievement!

I attended my final P&C meeting on Tuesday night of this week. I would like to thank the P&C committee, all members of the P&C and all parent helpers for their support and assistance throughout the year - for your assistance with the uniform shop, Mothers and Fathers Day stalls, providing the cupcakes for the Year 6 Farewell, respectfully questioning or raising concerns on behalf of the wider community - I am grateful to each of you for what you do to support our students, staff and community members. I would like to especially thank Sue Hansen, P&C President and coordinator of the uniform shop, who has come to the end of her time at GPS. Thank you Sue for your efforts throughout many years! I wish you all the best for the future.

**The Annual General Meeting of the P&C will be held on Monday 19 February 2024 at 7.00pm.** Positions, including president, vice president, treasurer, secretary and fundraising coordinator, will be voted for on the night. Everyone is welcome and I would encourage as many people as possible to attend.

We are still in the process of planning for 2024 and now have 68 new Kindergarten students enrolled. **If you have not yet enrolled your child for Kindergarten it is important that you do so as soon as possible so that you don't miss out on important information and so that we can ensure that we keep a place for your child.** We will form 17 classes, but depending on changes in our numbers, we may need to form an 18th class in 2024.

Have a great week,

Kathy Rox  
Relieving Principal

### **Breakfast Club**

Foodbank is kind enough to provide us with our breakfast club supplies free of charge. Each day, our school provides more than 30 students with breakfast and lunch. Through Foodbank, we are also able to access fresh fruit which the children are enjoying. Glendenning Public School would like to thank Foodbank for their continued support in 2023.

## K-6 Colour Fun Run Fundraiser

Well done to our students who have raised over \$100 and have gone into the draw to win ice blocks and the chance to SLIME a teacher. A big congratulations to **6S** who made the most profiles and won ice blocks for their class. If you still need to make your student profile please check the note on the Sentral app for how to set up your student profile page and begin sharing it with your family and friends at [schoolfunrun.com.au](https://schoolfunrun.com.au). So far our school has raised \$8,000 which is an amazing effort from our community. We are still a long way from our target of \$20,000 so please keep sharing and fundraising online.

Our colour fun run will be held in **Term 4, Week 9 on Tuesday 5th December**. Parents are welcome to attend the event and cheer on our students. To get our event off to a flyer, we're starting our BIG SHOW with a super easy competition!
